CBCo BREWING

MARGARET RIVER W.A.
PORT MELBOURNE VIC

CBCo Brewing is one of Australia's leading independent, Australian family-owned brewers. Born in Margaret River in 2004, we were one of the first breweries to establish ourselves in the heart of WA's iconic wine region.

Purchased by Morris Group in 2008, we expanded east, opening a state-of-the-art 9 million litre capacity brewery in Port Melbourne allowing for greater flexibility in brew styles. From cutting edge craft beer projects to brewing at a national scale, CBCo has the people, provenance and processes to deliver great beer and cider to all drinkers.
